Will you need to have an additional job while you are interning at Zea Mays? If so, do you have a job lined up already? How many hours a week will you need to work at an additional job?

Will you be relocating to the area for the internship? (we do not provide housing) If so, have you ever relocated to an unfamiliar place before? Write briefly about your ability to adapt to a new environment.

Write briefly about why you want to intern at Zea Mays Printmaking (use additional page if necessary). The internship involves both research and workshop assistance, please address both of these areas.

Describe the research you are interested in and any specific research projects you might propose.

Please include 2 letters of recommendation from people who can speak about your work ethic, studio habits, reliability, interest, writing skills, organizational skills, attention to detail, abilities to learn and teach and get along with people (i.e. anything relevant to the duties of this internship). The internships are competitive and we put great weight on the recommendations. Printmaking teachers, employers, studio mates are all good sources. Include contact information for the references.
